

# ATLS® PROVIDER COURSE

Providing World-Class Trauma Education

## Program Highlights

The Advanced Trauma Life Support (ATLS)® Provider Course combines lectures and practical experience to teach participants to establish priorities and stabilise the critically injured patient. Students will have the opportunity to practice their assessment techniques and their management of simulated patients in a surgical skill practicum. The ATLS course has been specifically designed for the primary care physician.

**Participants from India : Rs 29,500 (inclusive of GST)**

**SAARC Countries : 600 USD**

## Program Objectives

- Demonstrate the concepts and principles of the primary and secondary patient assessments.
- Establish management priorities in a trauma situation.
- Initiate primary and secondary management necessary for the emergency management of acute life-threatening conditions promptly.
- Demonstrate the skills necessary in the initial management of trauma victims.

**Date : 25<sup>th</sup>, 26<sup>th</sup> & 27<sup>th</sup> January, 2026**
